Collegium Medicum in Bydgoszcz

Get-around guide

Medicine – year 1 – semester 1
(academic year 2023/2024)

02.10.2023

NCU Collegium Medicum in Bydgoszcz has nearly 30 buildings located in different parts of the city.

Most of them are located around two major campuses:

1. „Rondo Jagiellonów” [rondo=roundabout]
2. „Jurasz Hospital” [Jurasz – name of the hospital’s patron]

The remaining buildings can be reached on foot or using public transport, taxis, bikes.

The next two slides are devoted to two major campuses of the university:

1. „Jurasz Hospital” campus

(ul. Skłodowskiej-Curie 9)

This is where Student House no. 3 is located.

2. „Rondo Jagiellonów” campus

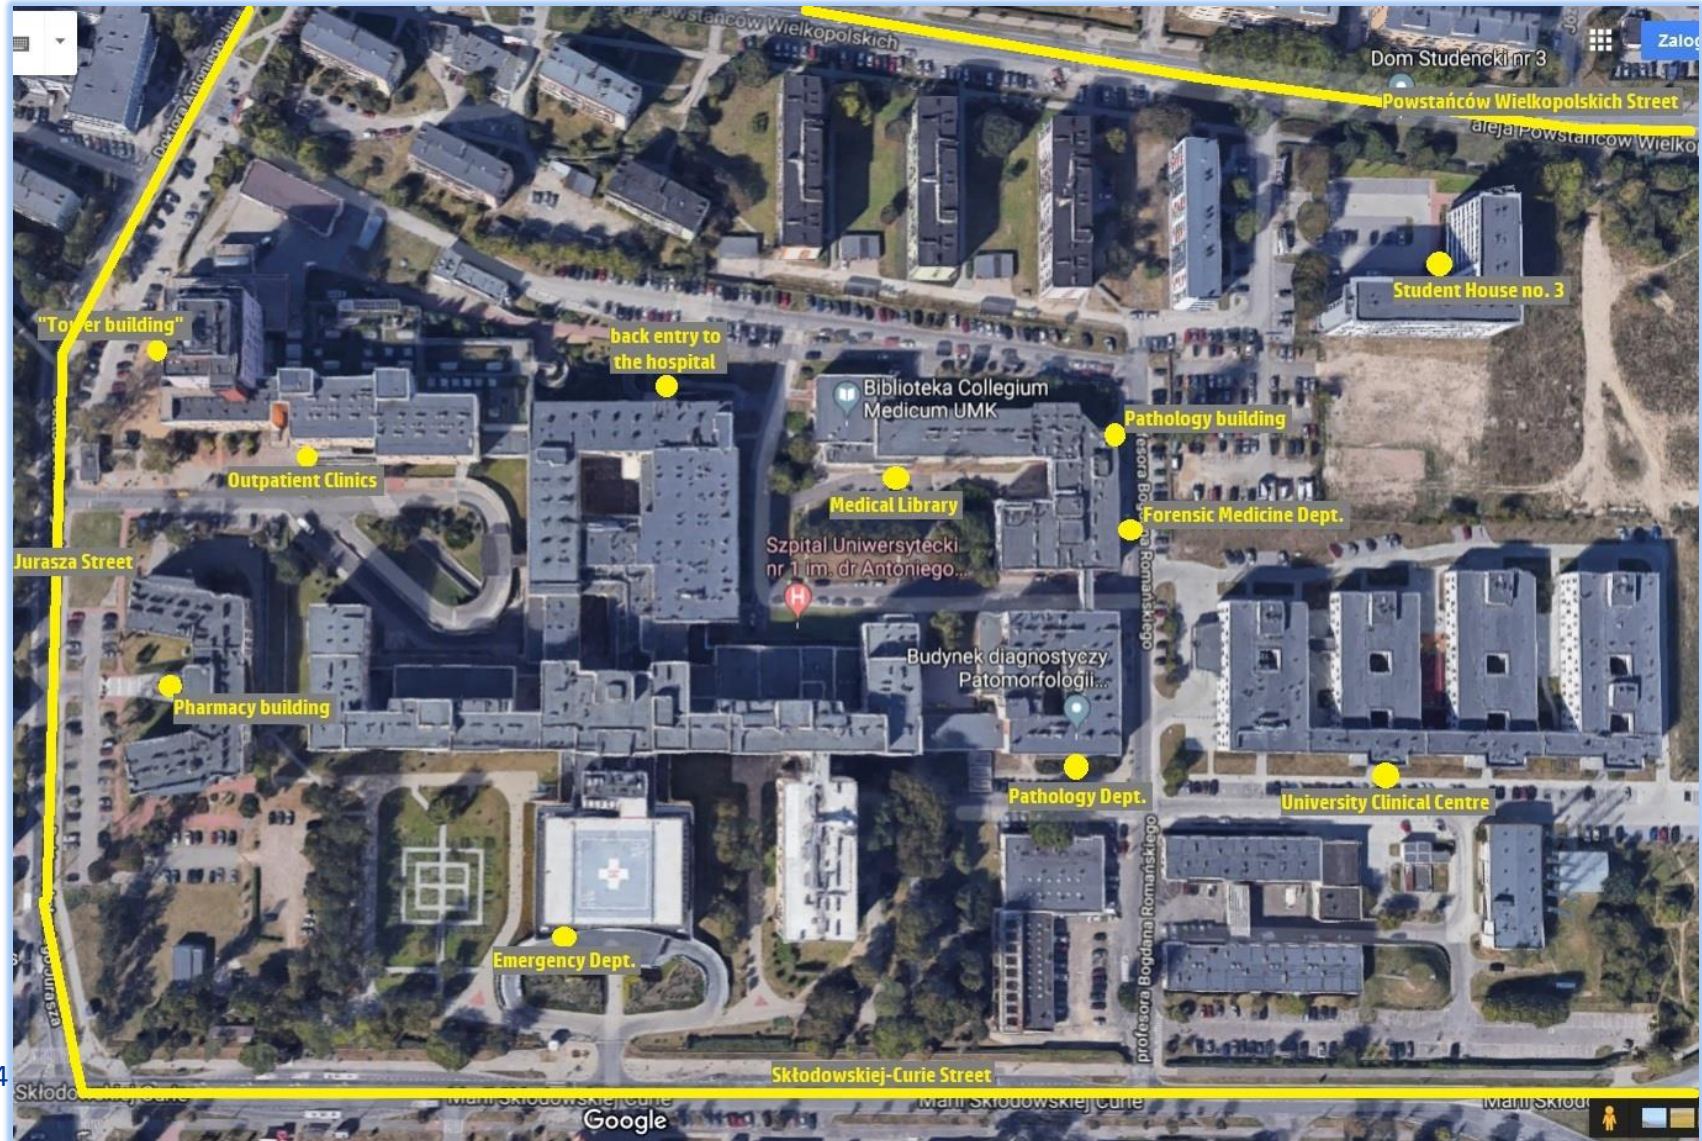

(ul. Jagiellońska 13)

You can explore the locations using Google map tools (just type in the addresses given above).

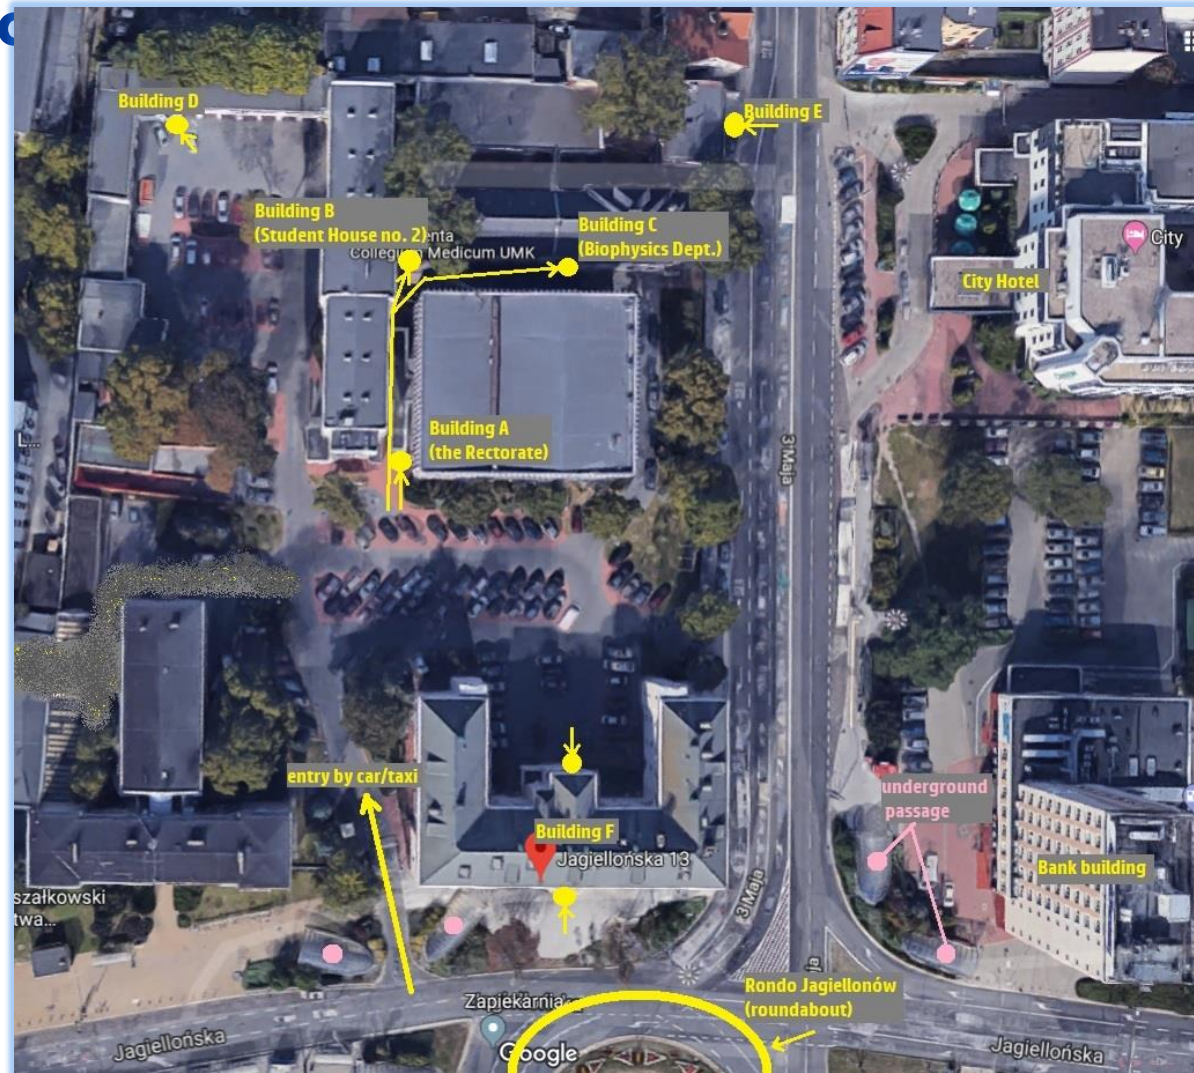

Yellow dots in the following maps show the entry points to each building.

Jurasz Hospital campus

Rondo Jagiellonów

How to get around the city

If you want to travel around the city by public transport, it's best (and easiest) to use the online platform „JakDojade.pl” (it means: „How do I get to...”): [JakDojade – Bydgoszcz](https://jakdojade.pl/)

Simply enter the starting place (or let the app locate you) and your destination address.

The app will show the possible bus/tram connections (including the number and names of stops) and the estimated time of arrival by different routes.

You can also use Bolt services:

<https://bolt.eu/pl/cities/bydgoszcz/>

The [Bolt app](#) is very easy to use!

The following guide includes directions only to those buildings where classes are planned for the 1st semester of the 1st year of Medicine in the academic year 2023/2024. The guide is divided into individual courses.

In order to find your way to places provided in this guide, it's best to set Student House no. 3 as your starting location, at: [al. Powstańców Wielkopolskich 46](#).

Courses:

- **Cell Biology and Cytophysiology**
- **Histology**
- **Embryology**

Unit offering the courses:

Department of Histology and Embryology

(PL: Katedra Histologii i Embriologii)

Location:

ul. **Karłowicza 24**

Course:

General Chemistry

Unit offering the course:

Department of Medical Biology and Biochemistry

(PL: Katedra Biologii i Biochemii Medycznej)

Location:

ul. **Dębowa 3**

Course:

Molecular Biology

Unit offering the course:

Division of Tissue Engineering
(PL: Zakład Inżynierii Tkankowej)

Location:

ul. **Karłowicza 24**

Course:

Biochemistry

Unit offering the course:

Department of Medical Biology and Biochemistry

(PL: Katedra Biologii i Biochemii Medycznej)

Location:

ul. **Karłowicza 24**

Course:

Anatomy

Unit offering the course:

Department of Anatomy
(PL: Katedra Anatomii)

Location:

ul. **Łukasiewicza 1**

Course:

Biophysics

Unit offering the course:

Department of Biophysics

(PL: Katedra Biofizyki)

Location:

ul. Jagiellońska 13
(building C)

The photo shows building F – the front building of the Jagiellońska campus (see p. 5).

You can enter the campus through building F. Building C is at the back of the campus.

Course:

First Aid

Unit offering the course:

Laboratory for Medical Education

(PL: Pracownia Dydaktyki Medycznej)

Location:

Will be indicated by the Head of the Laboratory for Medical Education

Course:

Physical Education

Unit offering the course:

Centre for Physical Education and Sport
(PL: Studium Wychowania Fizycznego i Sportu)

Location:

ul. **Świętojańska 20**

Physiotherapy

Location:

ul. Świętojańska 20

Courses:

**Basics of Occupational Therapy (room 13),
Motor Skills Training and Movement Education
Methodology (ul. Świętojańska 20 and ul.
Sportowa 2 – swimming pool)
Physical Education,
Anatomy.**

Antoni Jurasz University hospital no. 1

Courses:

**General Physiotherapy,
Therapeutic education,
Public Health,
Management of the Physiotherapy Profession,
Demography and epidemiology,
Prevention of occupational diseases,
General Psychology,
Philosophy and Bioethics.**

Jan Biziel University Hospital No. 2

Location: ul. Ujejskiego 75

Course:

First Aid (SOR – Eng. A&E)

Location:

ul. Jagiellońska 13 - 15

Courses:

Biophysics (building C)

The photo shows building F – the front building of the Jagiellońska campus (see p. 5).

You can enter the campus through building F. Building C is at the back of the campus.

History of Physiotherapy

(building F, room 85)

Location:

ul. **Dębowa 3 (room 14)**

Course:

Medical Biology

Thank you!
