USOS – Your Student Portal

The University Study Management System (USOS) is an IT system that provides comprehensive support for students, PhD students and academic and teaching staff. It allows you to:

- **submit scholarship applications (FOR EVERYONE → Applications)**
- **add a photo to your electronic student ID card (FOR EVERYONE → Photo for ID card)**
- **access your grades (FOR STUDENTS → Final grades)**
- **communicate (MY USOSWEB → USOSMAIL)**
- **browse the university's course catalogue (CATALOGUE → COURSES)**
- **familiarise yourself with the course and credit requirements for individual degree programmes (CATALOGUE → DEGREE PROGRAMMES).**

It is the responsibility of every student to check their details and marks in the USOS system and to check their 'university' email.
