APPLICATION

for a conditional entry into a higher semester/year of study

Pursuant to § 39 section 1 point 1 and section 2 of the Study Regulations of the Nicolaus Copernicus University in Toruń I apply for the conditional entry to the semester/year of study in programme, as well as for crediting the course in the academic year

I motivate my application by the fact that I did not obtain credit for the aforementioned course by the required deadline.

At the same time, I oblige myself to pass all outstanding subjects as well as compulsory classes and examinations provided for in the study programme of year during the academic year

Kind regards

.....
