In accordance with the Resolution no. 103/IV/2017 of the National Accreditation Commission for Nursing and Midwifery Schools of 22 June 2017, the number of teaching hours has been specified for selected courses to be carried out at the Centre for Medical Simulation, including the Laboratory for Low-Fidelity Simulation. The hours and courses indicated by the Resolution meet the criteria of the Program for Development of the Multiprofile Centre for Medical Simulation of NCU Collegium Medicum

in Bydgoszcz. The percentage of teaching hours covered at the Centre for Medical Simulation is a minimum of 5% of practical classes.

List of courses during which at least 5% of practical classes or tutorials will be carried out at the Centre for Medical Simulation
